Hello Michele,

Sorry for the delayed response.

Wednesday the 22nd from 10:00-11:00 or Thursday the 23rd from 3:00-4:00 looks good for us if that works.

Thank you,

Ben

Subject: Conference call to discuss Tuluare Formation - Elk Hills Field

Good morning Ben and Brandon,

I am working on a project in the Elk Hills field and would like to discuss with you the

proposed exemption of the Tulare Formation. I would think an hour or less would be a good start. Would you kindly suggest some times in the next several days that would be convenient for us to talk? Thanks!

Sincerely,

Michele Dermer
